RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT "B"
UNDER 37 CFR 1.121

Dear Sir:

This amendment is a response to the Notice of Non-Compliant Amendment mailed on September 9, 2003 stating that claim 28 lacked a status identifier and that no text was needed for canceled claims 16-18, and requesting a new Claims section be provided including the correction to the informality.

Applicants' respectfully request reexamination and reconsideration of the application in view of the following remarks.

The status of claim 28 has been designated as (Currently

Amended) and the text for claims 16-18 has been deleted.

For all of the foregoing reasons, Applicant submits that the claims are patentable over the cited references and that the application is in condition for allowance. Accordingly, Applicant respectfully requests prompt reconsideration and receipt of the formal Notice of Allowance.

Applicant does not believe any additional fees are due; however, if it is determined additional fees are due please charge any underpayment or credit any overpayment to Counsel's deposit account 50-0642.

If the Examiner believes there are other unresolved issues in this case, Applicant's attorney would appreciate a telephone call at (502) 452-1233 to discuss any such remaining issues.

Respectfully submitted,

David W. Carrithers
